Upwork

I worked at Upwork for several months, but I realized that there was no stability there, as well as help and development. I created logos in Illustrator, Photoshop, edited information, created accounts on the blockchain. So I decided to get a permanent job in a stable company to work in a team.

EXPERIENCE AND EDUCATION

I have two higher education:

1. Mechanical Engineer (with honors);
2. Economics, Management (with honors);

I also have informal education in IT (Frontend, React, Wordpress developer) and a certificate of completion of the course "AI Fundamentals" from Google.

Have very diverse workplaces that have touched my life at different periods:

1) **Law:**

Verkhovna Rada of Ukraine (Parliament)

Office of the Commissioner for Human Rights

Chief Specialist, Head of the Monitoring Sector, Acting Head of the Department **2017-2020**

2) **Management:**
